

GUILDERLAND LETTERMEN FOUNDATION

The mission of the Guilderland Lettermen Foundation (Lettermen) is to provide monetary awards to Guilderland High School graduating seniors who letter in two or more varsity sports, maintain high academics, and participate in community service activities. The awards are to be used to offset the awardees' college expenses. In 2020, the Lettermen issued more than \$12,500 in awards to select graduating seniors and local community causes. Additionally, we funded the banners that hang in the gymnasium to honor "12 Season" student-athletes and once again supported Guilderland's Food Pantry and Weekend Backpack program. Our 2021 Lettermen award winners will be recognized at this year's event.
